

# DAVID ORION

David Orion has established himself as one of the most unique and innovative performers in the country.

David blends impersonations and his improvisational skills into a clean, high-energy program, with no two shows exactly alike. Whether performing stand up comedy or delivering his personal inspirational message, David Orion will be a performer that will be long talked about and remembered.

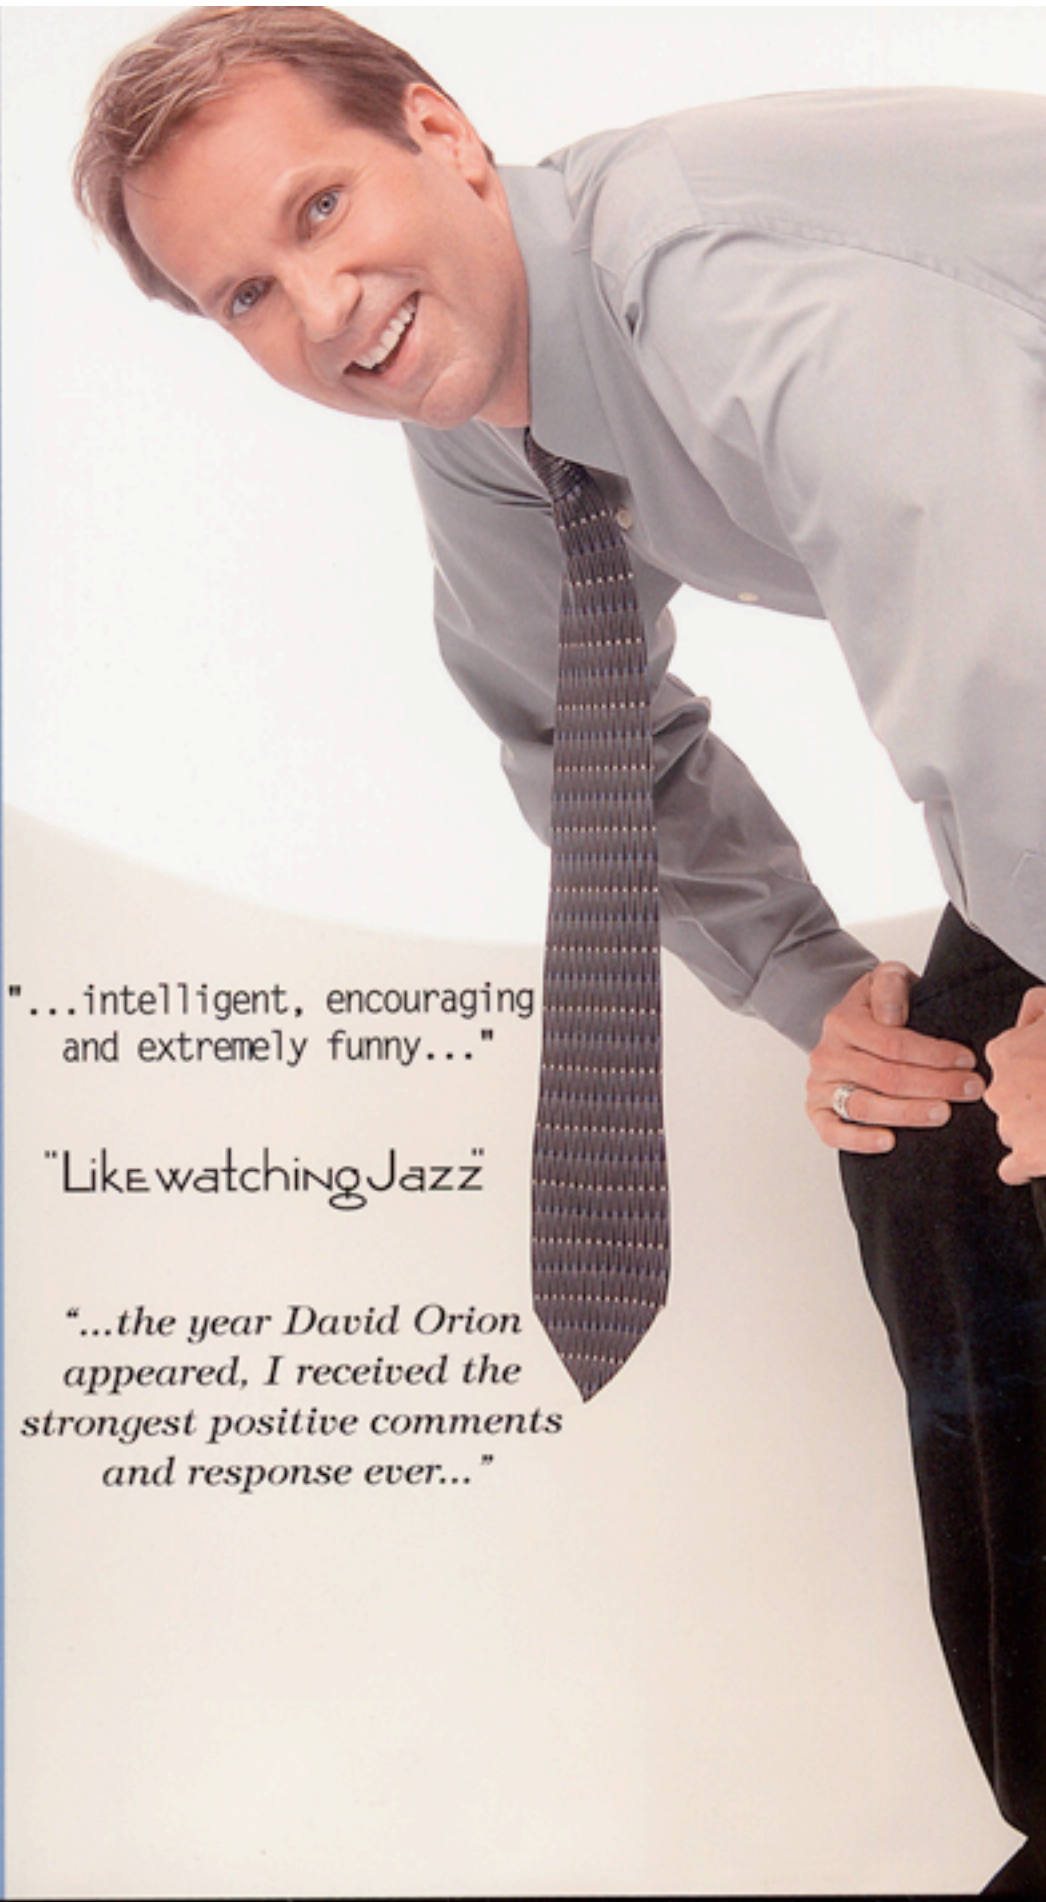

Here is what one event planner said. "I have had the great pleasure to work with many great speakers and entertainers during my 12 years of coordinating my company's events. However, the year David Orion appeared I received the strongest positive comments and response ever. How good? It was the only time I ever received a bonus for organizing and booking an event. Thank you David Orion!"
